

Referees for volumes 1 and 2 of the Brazilian Journal of Biological Sciences, 2014-2015

Editorial Board

Editorial Board of the Brazilian Journal of Biological Sciences (ISSN 2358-2731) are indebted with colleagues for their assistance in refereeing articles submitted to the journal, published or refused, during 2014-2015. We are happy to acknowledge that the continuing success of the Journal too depends on sharing time, effort and professional expertise of our referees.

This list is published every four numbers to protect the anonymity of the referees and authors.
